1. INTRODUCTION

Emmaus Correspondence School units, certificates, and incentives are designed to recognize the significant effort you put into systematic Bible study. Every time you complete a course you are awarded the units applicable to that course. Attractively printed certificates are issued to mark your progress each step of the way as, course by course, you progress through the extensive curriculum of over 90 courses. Students can also earn free reference books through an Incentive Award Program.

The various certificates and incentives are described below.

2. RECOGNITION OF ACHIEVEMENT

COURSE UNIT CERTIFICATES

The unit certificate is issued for each course you complete with a grade of 70% or higher. Each certificate is made out in your name, showing the name of the course, date completed, grade, and units earned. With the exception of the two college level courses, the courses offered are at the “Adult Education” level. This means that satisfactory completion of these courses does not entitle the student to monetary or academic benefits other than those inherent in the study itself.

MULTIPLE UNIT CERTIFICATES

These certificates are awarded in successive 12 unit increments. Multiple Unit Certificates are awarded as you achieve 12, 24, 36, 48, 60 etc. unit levels of study.

HONOR & DISTINCTION RECOGNITION

Emmaus Correspondence School recognizes outstanding achievement by affixing a seal and the words WITH HONOR to each Multiple Unit Certificate for which the cumulative grade average is 90% to 95%, inclusive. If the cumulative grade is 96% or higher, the Multiple Unit Certificate is distinguished with a gold seal and the words WITH DISTINCTION.

3. DIPLOMAS & SPECIAL CERTIFICATES

DIPLOMAS

At the 72-unit level an “Associate Diploma in Biblical Studies” is awarded to recognize achievement.

At the 144-unit level a “Diploma in Biblical Studies” is awarded to recognize achievement.

SPECIAL CERTIFICATES

Emmaus Correspondence School awards a number of special certificates to students who complete parts of the curriculum. These are awarded to a student who successfully completes all the required courses with a grade of 70% or higher. The student should request the certificate by notifying the school and sending the appropriate fee when they have completed the required courses.

(There is a charge, currently \$15.00, to process each of the Special Certificates and Diplomas. This charge offsets the cost of preparation and shipping.)

4. COURSE GRADES

Course grades are the average of all the exam grades for a given course. The course grade is rounded to the nearest whole number and is expressed as a percentage. The only exception to the rounding rule is the course grade 100%, which must represent a perfect score on every exam in the course (example: a course grade of 99.7% would be rounded to 99 rather than 100). A non-unit completion card is issued for each course grade of 69% or lower. Courses may not be retaken to improve a passing course grade. Courses may be retaken to qualify for the unit award. The student should apply to the School for permission and purchase a new course/exam.

5. INCENTIVE AWARD PROGRAM

As you complete courses you can participate in the Incentive Award Program and earn valuable reference books to aid you in Bible study at no additional cost. As you earn Multiple Unit Certificates you also earn Incentive Award Points. These points can be redeemed as payment for Bible dictionaries, concordances, commentaries, and other tools that will help build a sound reference library. Details of the Incentive Award Program will be sent when you earn your first Multiple Unit Certificate. (ECS – Incentive Award Program Q102).
